

Lily and Ermine

1. Watch the animation (Part 3) and match up the text fragments with the captions below (two text fragments match up with one caption).

It wasn't the wind, but a sweet little ermine.

Blood was everywhere on its muzzle
(*Schnauze*).

She walked into the woods, but there were
no animals.

As she looked up to the trees, snow suddenly
fell down on her head. She got really scared.

This is the killer!' thought Lily.

2. Now, put the sentences in the right order.
